Dear “Optimum Future” Client:

This is your Discount Letter which for a limited time can be used to get an immediate \$200 discount off your Optimum Future Trajectory Study. Just enter this code M200 on your Project Engagement Form.

You can use this service any way you like with any combination of search options, from finding your “optimum career,” “optimum mate,” “optimum domicile,” “general life study,” or any combination of these with our unique intelligence collection process.

To get started you will need to go to [www.psicorp.net](http://www.psicorp.net), and review the Personal Services link. There is a ton of information there, and when you are ready to schedule your project, click on the link to download the “Project Engagement Form.” All the information you need to get started is on that form. Fill it out, and then fax or email it back to your project director.

This is an amazing personal service that is quite involved, and I think will open up enormous possibilities for you. If your project is very complex or you need more information before you can proceed please fill out the inquiry form on the site. The link is... <http://www.psicorp.net/contact-psicorp.html>

I look forward to working with you on this most important matter. If I can provide you with any additional information, please email me or one of my Project Directors.

Very truly yours,
